

Important information for our members

CHANGE OF OWNERSHIP

YMCA Victoria has operated the health club on Collins Street within the ANZ Building since October 2010, providing health and wellness services to the corporate workers and residents within the Docklands community.

Effective from 31 August 2016, YMCA Victoria will exit the lease and sell the business to a new operator who will continue operations from 1 September 2016.

The new owners, The Push Group Pty Ltd, are excited to launch the first Push! Fitness location in the ANZ building and have significant plans to invest in the facility and equipment, and introduce new programs and services to the members. The current Manager at YMCA Docklands, Andrew Ward, and his wife Jean are the Directors of The Push Group. They both have considerable expertise and experience and we look forward to seeing how they transform the business in the future.

Your membership will automatically transfer to the new group with the same monthly fees. All banking services for The Push Group have are being transferred to the ANZ bank, so you will notice some changes in your debit source from 1 September. Please contact reception for more information on your membership fees and access.

If you are a YMCA Docklands member who enjoys access to other YMCA Facilities, or you are a YMCA member of another location accessing YMCA Docklands, these opportunities under the YMCA Member Program will continue until 30 June 2017. A reciprocity agreement has been signed between the two groups. If you have not received your YMCA Member program card, these can be collected at reception at your next convenience.

After more than 10 years servicing and supporting the Docklands Community, we would like to thank you for your support and loyalty as our valued member. We would also like to thank our partners ANZ and JLLs for their support and partnership over that time.

Kind regards,

YMCA Victoria
